TO: **THE MEMBER NATIONS OF THE OPERATIONAL LOGISTICS SUPPORT PARTNERSHIP COMMITTEE AND THE GLOBAL FOOD SERVICES WORKING GROUP**

SUBJECT: **OLSP GLOBAL FOOD SERVICES PRE-SOLICITATION CONFERENCE AND INDUSTRY DAY**

Dear colleagues, we are delighted to invite you to:

GFS 3.0 Pre-Solicitation Conference and Industry Day  
*in conjunction with*  
The 15<sup>TH</sup> OLSP Global Food Services Working Group Meeting

1. We are pleased to announce that the NSPA will be holding a Pre-Solicitation Conference and Industry Day on Tuesday 16 June 2026 at the NSPA premises in Capellen, Luxembourg (conference centre, building 42).
2. The Next Generation Global Food Services contracting capability is coming to an end and will be re-competed over the coming months, as such, the aim of this event is threefold, firstly as a pre-solicitation conference to provide potential commercial vendors an overview of how Global Food Services supports user Nations. Secondly, an opportunity for industry to demonstrate support capabilities, and lastly, to provide the Global Food Services Working Group (GFSWG) an update regarding GFS 3.0 developments. The Conference is also an opportunity for new companies to register in the NSPA source file and benefit from the practical use of the NSPA e-Procurement portal.
3. Due to seating constraints within an extremely oversubscribed NSPA conference centre, it was not previously possible to open this invitation to the Nations and the GFSWG. However, due to a cancellation, additional space has become available at short notice and an opportunity to attend is now extended to those that are interested. Please note that a VTC option is not available.
4. This date will supersede the previously advised GFSWG meeting on 4 Jun 26. Whilst this meeting will not be the type of Working Group that regular attendees are accustomed to, it will serve very well to provide an update regarding progress made towards GFS 3.0, allied to a broad overview

of Global Food Services and its operational capabilities. Regrettably, this will not be a forum for the Nations to provide feedback for GFS 3.0 activities or scope, that opportunity has now passed.

5. At Annex A you will find the draft meeting agenda and at Annex B a registration document. In order to inform concurrent activities, completed registrations should be returned not later than close of business on Friday 15 May 26. Should you have any further questions, queries or require clarification regarding this event, please do not hesitate to contact the OLSP Office [olsp.office@nspa.nato.int](mailto:olsp.office@nspa.nato.int), Mr. Jim GOREING [julian.goreing@nspa.nato.int](mailto:julian.goreing@nspa.nato.int) (+35230637472) or Maria ZALIDIS [maria.zalidis@nspa.nato.int](mailto:maria.zalidis@nspa.nato.int) (+35230635292).

Yours sincerely,
